

cheat sheet Live Alerts

We all know the media never sleeps. That's why we're making it easier and faster than ever for you to stay across relevant broadcast coverage, with Live Alerts.

Set up your Live Alert inside Mediaportal in just a few quick steps, then receive an SMS or email alert notifying you to relevant coverage within just a few minutes of it being broadcast!

Setting up your Live Alerts

All users from your account will be able to set up Live Alerts inside Mediaportal using the below steps.

Review the tips for setting up keywords then click 'Okay" to move on to adding what you want to track.

Keyword tips!

- Keep your keywords simple and targeted.
- Capture mentions of keywords X or Y or Z by entering these into the top bar only.
- If you'd like assistance with your keywords, please reach out to your account management team at any time.

OR: Enter keywords of which at least 1 must be mentionedAND: Enter keywords that must be mentionedNOT: Enter keywords to exclude

Let us know which channels you'd like to monitor.

To limit the number of Alerts you're sent, we've introduced 'repeat intervals'. This means, if your keywords are mentioned multiple times on the same channel within a given time period, you won't be notified more than once.

Alert Actions

View your active and inactive Alerts on the Live Alerts tab, and take further action: Mute, Edit, Delete.

• You have 2 of 5 activated		d a live alert	Hit <i>Edit</i> to edit the rules.
